Re: Amended September Monthly Report (8/1/08-8/31/08), received 1/29/09

To Ms. Lewis:

This letter is in response to the inquiry sent on May 8, 2009, requesting additional information on the following item:

The amended report discloses additional receipts totaling \$45,525 on Lines 11(a)(i) and 11(a)(ii) of the Detail Summary Page that were not disclosed on your original report.

As noted in the memo text of the amended September Monthly report, there was an additional \$45,605 added to Line 11(a) in the first amendment filed October 23rd, 2009. Due to clerical error, these receipts were not reported on the September Monthly report. Once this error was identified the report was amended promptly to disclose the additional receipts.

In the course of completing our year-end reconciliation process, we amended again to disclose \$80 less in receipts on Line 11(a), which we found to have been disclosed twice on the same report. The \$45,605 in receipts added in the first amendment, minus the \$80 subtracted in the second amendment, results in net additional receipts of \$45,525 for the amended September Monthly Report.

We have taken additional steps to ensure that these types of clerical errors do not occur in the future. If you have any additional questions please contact Gayle Sheehan at (415) 977-5560.

Sincerely,

Catherine Duvall
